

# SUPERIEUR GRAPHIQUE

Passionate Graphic and User Interface Designer. Well experienced in Sketch, Figma, Adobe XD, Illustrator, Photoshop (King of shortcuts), InDesign.

I'm based in Berlin and successfully work and travel as a freelancer for many years.

My Name is Sven Stüber and I run the design studio Superieur Graphique. I'm specialized in complex communication solutions that translate demanding content in a way that is appropriate for the target group. This is achieved with memorable images, contemporary layouts, intelligent navigation and informative texts with the aim of inspiring you and your customers.
